

OTAGO FURNITURE

HOPSCOTCH Dining Table

Playful and practical for any setting. Hopscotch's angles and curves are hewn from New Zealand's own Southland Beech. With it's legs angled at 45 degrees unlike most, more leg space is created to maximise dining comfort and the number of diners too.

PRODUCT CHARACTERISTICS

- Ideal for Home or Hotel, Lounge - Living.
- All made from solid timber.
- Leg position and detailing allows for up to 8 diners.
